FROM THE PRESIDENT'S DESK

Hope everyone had a great Thanksgiving with friends and family. I have not stepped on the scale yet to see what the damage is, but I can still button my Jeans, so hopefully it isn't too bad. Just going to have to do some walking in the evenings when I get home from work to get off the excess weight in time for Christmas.

Coming up next Saturday is the Santa Fun Run on December 8th. For new members, this is where all the car clubs get together and drive to 3 stops making donations of toys or clothing for the Rescue Mission. We will start out at the Rescue Mission on Louisiana avenue at 9:30am. They are looking for toiletries, as well as clothing for adults and children. I have several bags of clothes and shoes I will be bringing, so now is a good time to clean out your closets of clothes you never wear.

The second stop is going to be the radio station out in west Shreveport for Operation Santa Claus. They are looking for new unwrapped toys that can fit into a police car. Please no playdoh or toy guns or knives. Anything for children newborn to 15 years old.

The next stop will be Toys for Tots at Nicky's Mexican Restaurant in North Bossier on Viking drive across from Home Depot. They are also looking for unwrapped toys for newborn up to 15 years old, again no playdoh or toy guns or knives. If you stay and eat at Nicky's, they will give you 15 percent off your

lunch ticket. Also, parking can be a problem. If Nicky's parking lot is full, you can park along the sides and back of the Hampton inn hotel – just please not in the front. Also, you can park at the Home Depot parking lot. If you park at Hampton inn, please put a copy of the Santa Fun Run flier on your dash.

This is a great cause, and a lot of fun, especially with police escort. It can be slow driving at times, so remember to stay in the right lane at all times and be on the defensive when driving on the interstate. Keep in mind people will be cutting in line to exit off of I20, so please leave plenty of room in front of you as you approach exits to let cars exit if needed.

Thomas Monahan
President

HISTORICALLY SPEAKING

After bringing up several past events that the club has participated in to some current club members, it came to my attention that quite a few members don't know where this club came from or has been through since its inception. I've been asked to write a bit of the history of our club, being the only continuously serving member since the club's inception, some thought that I could remember back this far.

I'll do my best, from memory, to bring some of our past into the present. I'm sure these won't be in chronological order, so don't hold that against me.

This club began as one person's idea to bring together enthusiasts of our beloved Mustang. Word got around about the "new club" idea. Several folks gathered together in a dirt floor garage to pitch ideas to start this club. These ideas came to fruition and in February of 1992, The Red River Classic Mustang Club was born. Six or seven members adjusted/borrowed ideas for the first By-laws and officers to the club as well as our official Logo and colors were decided.

Our motto "[The general purpose of the club is to encourage use, service and preservation of all Ford and Ford powered vehicles, Classic Fords, and Mustangs regardless of year.](#) ." was also put into place.

Next month we'll try to take a look at our first show.
