FROM THE PRESIDENT'S DESK

So far the summer has not been too bad as far as the heat is concerned, but that is about to change as the month of August starts up. Cooler weather last month allowed me to make it out to the Breakfast and Fast rides meet at Denny's on Mansfield road last Saturday. I arrived at about 8:45 to find a hand full of cars including several Mustang Club members already inside getting a bite to eat. Once 9:00 rolled around, the cars started streaming in with plenty to see.

Christopher Prest showed up in his new side project, an old 86 Fiero GT. It is in rough shape, but Christopher has great plans for bringing back this car. It brought back some fun memories for me, riding around in a Fiero with two other friends on a Saturday night back in the 80's. Think about it. I think I got home about 5am that crazy night. Parked next to him was an old 80s first generation Toyota MR2. That car needed some TLC, and I hope the owner plans to fix it up as well. That car also reminded me of my first car, a 74 Toyota Celica ST, which I was in when I raced that same model MR2 back in Austin Texas in my High School days.

That is the thing that I like about old obscure cars that you don't see anymore. They bring back great memories of the past. Yes, neither one of these cars are a Mustang, but we need to preserve all cars no matter what make or model they are. After all, one of the freedoms of this country is the privilege of owning your own car and driving it anywhere you want to

across this great country. The open road in a cool car is one of the great American Icons. No matter what kind of car you like, drive or want to restore, we have to try to preserve that legacy for future generations. I see articles in different car magazines about cars that drive themselves using radar, or sonar. Some are trying out using a wire in the pavement beneath the car. I have even seen some prototype cars in magazines that don't have a steering wheel in them. Owning, and restoring old cars will help keep the dream alive by reminding people about what fun it was to actually drive a car. If we can keep that idea alive in everyone who sees our cars, maybe the day of programmable driver-less cars will be put off a little longer. One can only hope.

Back to our role in the car club scene, our Annual Roundup show is just 6 weeks away. We still need Door prizes and goody bags. We will also need lots of help actually running the show. If you are a new member and would like to help out with the show, please don't hesitate to ask any one of our seasoned club members about what you can do to help. We put on a great show every year, and people drive from many miles away to come to our show. Help us continue that tradition by helping out with Sponsors, door prizes, goody bag stuffers, or general labor. We are not picky, we will take whatever help we can get.

Thomas Monahan
President

Are you interested in serving your Club as an Officer on the Board of Directors? Our Annual Roundup is a great time to get to know the current Board members and the duties of their position. The current Board members have all served for several years and would not be offended by anyone willing to serve in their place. Anyone interested in a Board position, please submit a short platform to be printed in the November newsletter with the ballot. Officer Elections are held at the December Club meeting. All Board positions are open for anyone that has been a Club member in good standing for one full year or longer. The Club welcomes fresh ideas and new leadership.

MCA NEWS

The July board of directors' meeting was filled with lots of politics. For those who do not know, this is the year for voting for a new executive board. The board of directors and regional directors will be casting their ballots in the next few months. So naturally those who were asking for votes were there and in full swing. I must say there's a variety of people running for the positions. Being on the nomination committee, I received many good bios for board of directors. The positions for the board of directors are voted in by all MCA members. I urge all MCA members to take the time to read the bios that you'll soon see in your magazine and vote for who you think may be best. If you have any questions about any of them, please let me know.

The business meeting was filled with trying to tie up loose ends on the expenses for the 50th celebration. We did not get the final statement on them due to the extended sales of merchandise that would not be closed out till the end of July. Hopefully we'll have it at the November meeting.

We had a presentation from the club in Indiana for consideration for hosting the MCA 40th celebration. They have the opportunity to have it at the Indianapolis Speedway. What a GREAT PLACE for a possible site!!!! They have proposed the date for the Labor Day weekend of 2016. This will be finalized in November. My advice is to start saving your pennies for a fun time. I'll be there.

Save the date for next year's travel show. May 22-24, 2014 in Grovetown, GA. This is half way between Atlanta and Savannah. The hosting club is the local club of Steve Prewitt who is our current MCA President. The Grand National for next year will be held in Columbus, Ohio. It's a long trip like Charlotte, but it might be a trip worth thinking about.

Our family has some honors to be very proud of. As most know, Max is very active in the VFW. He's held offices from the local, state, and national levels. This past July he received the award for All American District Commander. He had already earned the All American for local and state commander. This makes his triple crown. He's one of the only three people in this state that can claim this honor. He said this was the last position he'd be having. Famous last words. Ah well I'm sure something will be coming up.

See you on the road,
Donna

SHOW TIME

51 days until our show! It isn't as far away as it seems. It takes the entire club to pull this show together and WE NEED YOU!

We need all members to talk to friends and businesses to get show sponsors, goodie bag stuffers and door prizes. My garage has a corner dedicated to club stuff, so if you have something, just bring it to a meeting and we will be glad to store it.

If you know of someone who would like to be a sponsor, please let us know ASAP. We are gathering logos for the back of the shirts NOW. Also, full sponsors get a logo on the back of our club shirts and an order for more of those will be placed soon as well.

OUT AND ABOUT

Ernie Lane's granddaughter is the proud new owner of Bob Wolf's prized Mustang. We know she will enjoy it as much as Bob!

It might not be a Mustang, but Trey and Jessica Luce's son Wesley is proud of his pony. They have great plans for it, and it will definitely be a rare horse around these parts.

The Mustangs made a big impression at the July BreakFast & Fast Rides.

UPCOMING EVENTS

Hey all you Mustang Fans here is the calendar of events for the month of August. We will be starting off our month with our club meeting Saturday the 2nd 5:00 Asbury Church in Bossier City, on Airline Drive 5:00 pm. We will be cruising to Don Juanz for dinner. The Marshall Cruise night is still in full swing and still on the second Saturday of each month. Because of the heat we have not been going as a group, but anyone wanting to meet up, we always meet at the Texas Welcome Center at 2:00 and anyone who meets up can cruise together. When it cools off we will be back to cruising as a club and eating at the Jalapeño Tree there in Marshall.

Saturday the 16th we will be meeting up at 4:00 pm at the Home Depot and I-49 to cruise to Coushatta for dinner and a night of Bingo. Bingo details are in the club email. Our monthly board meeting has been moved up to Wednesday the 13th due to scheduling conflicts 6:30 Reed Industrial off Mt Zion Rd.

Saturday the 23rd will be Breakfast and Fast Rides 9-11 am Strawn's on 70th Street and Asbury will still be cruising to dinner and devotion because of the heat. They meet at the church 3:00 pm Asbury Church on Airline Drive.

That is all for now. We are gearing up for our show the third Saturday in September. We are still needing goody bag stuffers and door prizes. Any of the board members will be glad to get them from you for the show. Stay cool and Stay in the AC.
